Thanks to the generous funding of Palm Beach County Sheriff's Office, we were able to pay 16 youth last summer as interns at various partnering agencies. We tried to match them with their fields of interest.

For most of the youth, this was their first work experience. Three of our interns were hosted by Digital VibeZ, Inc. to learn more about technology arts. We are super proud of their accomplishments.

Also, a big thank you to the other hosting sites -- Armory Art Center, American Heart Association, Reef Institute Busch Wildlife -- for giving our youth stellar work experiences.

22nd Annual Black Heritage Day Celebration

On February 22, the Urban League of Palm Beach County proudly hosted our 22nd Annual Black Heritage Celebration in West Palm Beach. It was an event brimming with joy, inspiration, and a strong sense of community.

We extend our heartfelt gratitude to everyone who attended and contributed to the success of this memorable occasion. Special thanks go to our esteemed keynote speaker, Alexiou Gibson, the Founder of The Transformation Factory (TTF) and the 2022 Shark Tank Winner. Mr. Gibson's insights and achievements served as a beacon of inspiration for all in attendance.

We were also honored to have Attorney Whitney Powell grace our celebration as a guest speaker. Attorney Powell, an associate at Cole, Scott, and Kissane, P.A., the wife of Senator Bobby Powell, for her impactful presence, delivered a thought-provoking address that resonated deeply with our audience.

In addition, we express our sincere appreciation to ULPBC Board Member Andrew Ashby for sharing his compelling remarks, and Sterling Shipp, an NAS alumnus, University of Florida graduate, and aspiring medical professional, for his contributions to the event.

Through these distinguished speakers and participants, we were reminded of the rich tapestry of talent, resilience, and excellence within the Black community. Their stories and achievements inspire us to continue our mission of empowerment, advocacy, and community building.
