ANNUAL REPORT 2024-2025

Rooted in trust since 1973.

Rising to a new mission.

PRESIDENT AND CEO STATEMENT

Dear Supporters,

For the past 52 years, Urban League of Palm Beach County (ULPBC) has proudly served communities across Palm Beach, Broward, and Miami-Dade counties. This past year presented tremendous uncertainty due to a host of environmental and economic factors. At the start of our fiscal year, we experienced a significant loss of funding for one of our most impactful initiatives, the Entrepreneurial and Small Business Program. By year's end, funding was suspended for the Senior Community Service Employment Program (SCSEP), also known as the Senior Jobs Program. While these financial challenges posed obstacles, they also opened the door for creativity, innovation, and renewed focus as we plan for the years ahead. Through it all, our commitment remains unwavering: to create pathways that ensure our community is safe, stable, and thriving.

Despite these hardships, ULPBC continued to support more than 18,000 clients through 23 free programs and services. Our Summer and Thanksgiving Food Drives provided a week's worth of groceries to over 3,000 families, addressing the growing issue of food insecurity in Palm Beach County. We were honored to be recognized by the National Urban League as the top mid-market affiliate in the nation. We also completed construction of a new 450-sq-ft storage room and secured an \$850,000 federal grant—championed by Congresswoman Frankel and Congresswoman McCormick—along with \$80,000 in private donations for our future facility.

This year, we also introduced a new mission statement and strategic plan to guide our work through 2028, with bold goals in housing, youth and education, workforce development, and community engagement. A highlight of this commitment is our partnership with Habitat for Humanity of Greater Palm Beach County to build five new single-family homes in West Palm Beach—creating new beginnings for families pursuing homeownership.

I extend my heartfelt gratitude to our board members across ULPBC, the ULPBC Foundation, and NUCDC for their leadership and generosity. To the ULPBC staff—your dedication on the front lines makes lasting change possible for the thousands who depend on us. Thank you.

To our supporters, thank you for standing with the Urban League of Palm Beach County. We hope we have earned your confidence and look forward to continuing this important work together.

With Gratitude,

PATRICK FRANKLIN

President and CEO

ULPBC Endowment

In 2017, the Urban League of Palm Beach County Endowment Fund was founded via the Community Foundation of Palm Beach and Martin Counties. This fund stands as a pivotal source of ongoing influence and unwavering assistance for the Urban League of Palm Beach County. In tribute to the late **Judge Edward Rogers**, whose generosity seeded the fund with \$10,000, we commemorate his legacy as a driving force for constructive transformation. We honor his legacy as a catalyst for positive change.

The Urban League of Palm Beach County Foundation (ULPBCF) is a 501(c)(3) nonprofit organization founded in December 2018 in West Palm Beach, Florida. Its mission is to support the Urban League of Palm Beach County by raising funds to enhance the organization's operations, programs, and supportive services. This work is made possible in part by a generous \$250,000 donation from Cliff Viner.

Rookie Chapter of the Year Winner - 2024-2025!

From 6 members to 76, from reactivation to recognition — the Urban League Young Professionals of Palm Beach County just brought home the Rookie Chapter of the Year Award at the National Urban League Conference in Cleveland, Ohio!

They hosted over three dozen events in the 2024-2025 year, including voter registration drives, leadership development sessions, and their signature Fastest Kid in Palm Beach County event. But most of all, they showed what's possible when young leaders show up with purpose, heart, and hustle.

— France Makabu-Gordon

"I am delighted to accept this award on behalf of my chapter. What started as six members all wanting to restart the chapter in Palm Beach County turned into 76 active members. I am so proud of everything we have accomplished."
